## 7. Teachers' Day Celebration on 30 Aug 2017, Wednesday

Teachers play vital roles in the lives of the students. They are best known for educating the students that are placed in their care. Though every day presents opportunities for students to show their appreciation for their teachers, many students also show their gratitude and love to their teachers on Teachers' Day.

On this coming Teachers' Day, we would like to **encourage Riverlites to show appreciation to their teachers through cards. Gifts of any sort are discouraged.**

In view that all teachers will be invited for Teachers' Day Lunch on **30 Aug 2017, Wednesday**, students will be dismissed at the respective time:

- Primary 1 to Primary 2 at 11.50 a.m.

## 8. Primary 3 Gifted Education Programme (GEP) Identification Exercise

Mdm Hamimah Ali, [hamimah\\_ali@moe.edu.sg](mailto:hamimah_ali@moe.edu.sg)

Mr Ahmad Zaki, [ahmad\\_zaki\\_b\\_hassan@moe.edu.sg](mailto:ahmad_zaki_b_hassan@moe.edu.sg)

The purpose of the GEP screening exercise is to develop the intellectually gifted to fulfil their full potential in an educational environment that is designed to stimulate intellectual growth. An equally important emphasis of the GEP is the development of social responsibility and sound moral values in the students.

The GEP screening exercise will be carried out by all schools on **23 Aug 2017, Wednesday**.

The GEP Screening and Selection Exercises will be based on the Primary 1 to Primary 3 English Language and Mathematics syllabuses. Please note the following:

- a) **Screening** Exercise (Mathematics) - All topics in the Primary 3 Mathematics syllabus are included except for topics on "Area and Perimeter", "Geometry" and "Time".
- b) **Selection** Exercise (Mathematics) - All topics in the Primary 3 Mathematics syllabus are included except for Angles, Perpendicular and Parallel lines in the topic of Geometry.

**Shortlisted students** will be invited to participate in the Selection Exercise on **19 October 2017, Thursday** and **20 October 2017, Friday** for English Language, Mathematics and General Ability.

The GEP Identification Exercise aims to identify suitable students with high intellectual potential. Test-preparation activities could inflate students' scores and not reflect their actual potential. Students who are not ready to handle the intellectual rigour and demands of the programme will struggle with the enriched curriculum and not benefit fully from it. Thus, we urge parents not to conduct test preparation activities to prepare their child for the GEP Identification Exercise.

**A letter has been sent out to all parents. Please return the *Reply Slip* to your child's/ward's Form Teacher by 7 August 2017, Monday.**
