7. Parents' Nomination for Junior Sports Academy (JSA) Selection Trial 2017

Mrs Emily Tan-Yong, tan-yong_chwee_ping@moe.edu.sg

- MOE will be conducting the selection trial for interested Pr 4 and Pr 5 students for the Junior Sports Academy (JSA) in March 2017. Schools will be nominating suitable students for the selection trial. However, if you wish to nominate your child for the selection trial, you may do so by completing the attached 'Parent's Nomination Form' (Annex A) and return it to the school by 16 February 2017, Thursday.
- Children should explore, discover and develop their areas of interest and strengths across a wide range of physical activities. MOE seeks to provide broad-based opportunities for children through the Junior Sports Academy (JSA) programme with the following objectives:
 - Budding sporting talents will be identified and developed with a broad-based physical sports programme, to strengthen their overall physical competencies and motivation in sports at the primary school level.
 - These children will explore and discover their strength and passion in a range of sports at the primary school level, and subsequently to make an informed choice to commit to one of them with more targeted support from schools and relevant sports organisations at the secondary school level and beyond.
- The selection trial will evaluate the child's **general physical ability**. There will not be any test on sport-specific skills. Instead, the child's natural ability of agility, balance, coordination, speed and power will be evaluated. There is no need to train or prepare for the trial. Sufficient time will be given during the trial for children to familiarise themselves with the items used in the evaluation.
- Selected Pr 4 students will participate in a two-year programme (from Pr 4 Semester 2 to Pr 6 Semester 1). They will choose four sports modules to participate in. Each sports module is conducted once a week over one semester, followed up with sports-related workshops at the end of the module. Selected Pr 5 students may participate in a one-year programme and choose 2 sports modules (from Pr 5 Semester 2 to Pr 6 Semester 1). The programme will be conducted mostly at 11 JSA centres hosted in schools near MRT stations and spread across Singapore to facilitate easy access.
