Outline of Presentation

- **Subject-Based Banding (SBB)**
- **Banding / Class Allocation from P4 (2018) to P5 (2019)**

Why Subject-Based Banding?

- To recognise the different abilities of students and provide greater flexibility for them to concentrate on the subjects they are good at
- To encourage greater interaction among students with different strengths

How does Subject-Based Banding (SBB) work?

School recommends a subject combination based on the student's P4 examination results. Parents select preferred combination.

Performance

Passes all 4 subjects and performs very well in Mother Tongue Language

Recommendation

4 standard subjects + Higher Mother Tongue Language

How does Subject-Based Banding (SBB) work?

Performance	Recommendation
Passes 3 or 4 subjects	4 standard subjects
Passes 2 subjects or less	4 standard subjects; or
	3 standard subjects + 1 other foundation subject; or

School may allow him to take 1 or more subject(s) at foundation level in P6

How does Subject-Based Banding work?

End of P5

All other students

School will allow them to continue with the same subject combination in P6

What Parents Need To Know

- Progression to secondary school **depends** on the student's T-Score
- The different expectations of standard and foundation subjects will be taken into consideration when calculating a student's PSLE T-score

Higher Mother Tongue (HMT)

- HMT lessons are conducted **after school hours**
- Students will take two sets of examination papers: one day for Standard MT and another day for HMT

Important

- Option to take **HMT** at P5 is done after the year-end examination at P4
- Subsequent subject movement will be based solely on the student's performance and school's decision after the year-end P5 examination

Important

- Marks for **HMT** are **not included** in the PSLE aggregate T-score
- HCL students will be given bonus points for admission to the Special Assistance School (SAP)

Distinction	Merit	Pass
3 points	2 points	1 point

How parents can help?

- Provide a conducive study and storage corner for your child at home
- Draw up study routines or a revision timetable for your child
- Ensure that your child has a balanced diet and enough rest daily

How parents can help?

- Exercise regularly with your child
- Provide a listening ear to your child and acknowledge your child's feelings
- Teach your child stress management strategies
eg breathing strategies

Choosing a Secondary School

<http://sis.moe.gov.sg>

Preparation

Discuss with your child and consider the schools holistically. Factors may include:

- child's personality, learning style, strengths and interests
- distance between home and the school
- special needs of your child (if any)
- programmes offered by the school
- previous year's PSLE aggregate ranges
- DSA application

Direct School Admission

- introduced in 2004
- promotes holistic education
- provides students an opportunity to demonstrate a more diverse range of achievements and talents
- secondary schools select some P6 students for admission based on their achievements and talents before the PSLE results are released

Direct School Admission

Discuss with your child

- What are your **strengths and/or interests**?
- Which strengths or interests would you **like to develop further** through the DSA school?
- Are you prepared to be **committed to the school for the entire duration of the course that you are admitted to**, if you take up the DSA?

Direct School Admission

Discuss with your child

- Which schools **offer a programme** that can **develop your strengths or interests?**
Consider visiting the websites of a range of schools to find out more.
- What are the **courses offered** by the schools i.e. Express, Normal (Academic) and Normal (Technical)? (Note: You have to be **eligible to attend a course** offered by the school.)

Direct School Admission

Discuss with your child

- Considering the **school culture and all the school programmes**, which of the one or two shortlisted schools **best suit your learning pace, aptitude and strengths?**
- What other factors will affect your secondary school experience e.g. the **distance of the school** from home?

Direct School Admission
