

Awesome August

Hi Rivervale,

Wouldn't you agree that August is an awesome month as Singapore, our nation celebrates her 49th birthday?

In fact, Singapore is already gearing up for her

Golden Jubilee Birthday Bash in 2015.

The theme of this year's National Day Parade (NDP) is ***Our People, Our Home***.

What does it mean for you to be a Singaporean? Is Singapore a place that you call home? A place that you won't be alone and where hopes await you? A place where the important people are in your life? And who are these people?

Singapore, the little red dot, which has triumphed against all odds, has come a long way from the days of our forefathers. And as we enjoy the stability and prosperity of our nation, let us learn to be grateful for what we have today and stay hopeful as we journey with our loved ones for many more good years ahead of us.

And in the spirit of **AWESOME AUGUST**, here's wishing our **P6 Riverlites** a brilliant kick start to their PSLE Orals Exams this 14th & 15th August. Stay calm, be positive and hopeful. Give off your BEST! Check out the self-help book on the school counsellor's webpage: [Healthy Nuggets for a Happy Child](#) for more ideas on learning and managing exam stress.

Rivervale is behind you!

Cheers,

Ms Pheng (School Counsellor)
